

Hi! I'm Lacey. I am the founder of Joyful Bee Ministries, a ministry I founded with the hope of serving other believers in their journey to find joy, peace and freedom in Christ. I started writing bible studies as a hobby of relief during my difficult pregnancies. I ended up teaching through a class I wrote with a friend on prayer. As we taught, we realized that many people were in the same place of desperation I was in and hadn't been taught how to pray. In the class, we saw God do big things in so many lives so I decided to turn the class into a book.

7 PRAYER PRINCIPLES:

1. THE RELATIONSHIP
2. KNOW YOUR BIBLE
3. KNOW YOUR GOD
4. LISTENING IN THE SILENCE
5. HUMBLY SUBMIT
6. CONFESS AND FORGIVE
7. MEDITATE ON TRUTH

[“What If We Pray?”](#) is my story paired with truths of scripture. As a lover of scripture, I turned to the word to understand what I was learning in my prayer life. I didn't write this book for those who have it all together, but for the desperate. Have you ever been desperate? A few years ago, I found myself in a desperate situation. So desperate in fact, that I asked myself the question that has changed my life, "What if I pray?" I stopped talking to God like a vending machine - when I put in my good works only to get good things out - and turned into a conversation with a FRIEND. A conversation that brought me joy and peace in my most desperate hour. **God HEARS** you, He **LOVES** you and He **WANTS** to talk to you. **God HEARS** you, He **LOVES** you and He **WANTS** to talk to you. Join me in looking at seven prayer principles to enjoy God and the scriptures in which He invites us to do so.
